

TRANSPORTATION OPT-OUT FORM 2023-2024

In an effort to improve transportation efficiency and therefore reduce student ride times we are requesting parents who do not wish to use district transportation in 2023-24 to let us know by completing this form. By knowing in advance that a student is not riding the bus, it will allow the transportation department to create routes that are more accurate by not having unnecessary stops; therefore, assist us in getting students to and from school in a more timely fashion. If during the school year your transportation needs change, **you can always opt back in** by calling the Transportation Department at 336-2992.

District Transportation Eligibility Requirement:

Distance between home and school legally attended as measured by the nearest available route (public highway) must meet these minimums:

GRADES K-3	All Students
GRADES 4-6	More than 1 ½ Miles
GRADES 7-8	More than 2 Miles
GRADES 9-12	More than 3 Miles

This form is available for online submission at www.westirondequoit.org

If you choose to opt-out your child from West Irondequoit School District transportation, please complete the information below.
